MemeBox

Business and payment clarification for Razorpay

SOFTWARE AS A SERVICE · BROWSER EXTENSION

MemeBox is a browser extension for supported video-call websites. It provides a meme soundboard, voice effects, camera filters, animated characters, personal media controls and optional premium features.

WEBSITE AND BUSINESS

Product website: https://memebox.site

Business category: Software / SaaS

Delivery: Digital access through a license key

Support: memebox.help@gmail.com

SEPARATE WEBSITE

https://mykrutidev.com is a separate project previously registered on the same Razorpay account.

Payments for MemeBox will be collected only for MemeBox digital software features through memebox.site.

WHAT CUSTOMERS PURCHASE

Free · ₹0

Core soundboard, offline voices, user-added content and selected free effects.

Pro · from ₹9

Optional time passes for additional characters, filters, music and call effects.

Pro Max · from ₹25

Optional time passes for the complete premium character and filter collection.

There is no recurring subscription. Purchased pass balance has no calendar expiry and is consumed only while the pass is enabled in a supported call.

PAYMENT PURPOSE

- Pro and Pro Max usage-time passes
- Eligible permanent character purchases
- Digital access only, with no physical delivery
- INR pricing; international payments only after provider approval

CUSTOMER PROTECTION

- Pricing shown before checkout
- Payment-linked order and license records
- Payment issues reviewed using the order code
- Refund or access reconciliation where appropriate
- Support available by email

Launch status: The updated MemeBox website is in final product review. Payment collection will be enabled only after the updated product information, pricing, privacy policy, terms and support details are available on memebox.site and Razorpay verification is complete.
